I-Cash

Saturday, March 1, 2025, 10:30 am

Kevin Schuster will be at the library on Saturday, March 1st at 10:30 AM on behalf of Illinois State Treasurer Michael W. Frerichs. Find out if you have missing money in your name! Statewide, IL Treasurer Frerichs secures more than \$5 billion in unclaimed cash and property.

“For most people, it is difficult to believe that they might have overlooked an investment account or forgot to pick up a final paycheck. However, the thousands of names in our database shows that it happens too often,” Frerichs said. “This money belongs to the residents of Illinois. It should be in their bank accounts rather than the state’s safe.”

STEM Night

Monday, March 10, 6:00-7:00 pm

The University of Illinois Extension will join us for a **STEM Night at the Library**. We will have activities for ages 2 and up! You will be able to come and go to rainbow & leprechaun themed STEM stations with your children (ages 2+). Sign-up at the library!

Garden Program

2025 Children & Teen Summer
Reading Program
Begins June 9th
More details coming soon!

Coming Soon--Gridley StoryWalk®!

Huge thank you to the Village of Gridley for allowing us the opportunity to place a StoryWalk® at the Westview (Swimming Pool) park! Construction will start sometime this spring and we hope to have it ready to go for summer reading!

The Gridley StoryWalk® is funded through a grant from the Diamond Grove Wind Farm and the Wal-Mart Spark Good Local Grant.

StoryWalk® promotes early literacy, physical activity, and family time together in nature. It's a fun and educational family activity for your community! Take a stroll and enjoy successive pages from a children's story along your path.
